INDEX

Complete index for *AIME Transactions*, 1969, Vol. 244.

Months refer to issues of *TRANSACTIONS OF SME*, issued quarterly.

A

Administration: see also Automation, Business Practices, Economics, Management
financial analyses, mineral exploration, development ..... Dec 413
peak for coal strip mining? ..... Sep 245
Adsorption Mechanism of Starches in Flotation and Flocculation of Iron Ores ..... Dec 401
Agglomeration: see also Beneficiation, Pyrometallurgy
application dry grinding rod mills ..... Jun 229
iron-ore fines, concentrates, new process ..... Dec 460
making prereduced iron ore pellets ..... Mar 71
materials handling, lakeside steel plant ..... Mar 52
part semitaconite beneficiation ..... Sep 331
reduction cracking in briquetted iron ore mixtures ..... Sep 251
Alluvial Mining, see Surface Mining
Application of Linear Programming in the Crushed Stone Industry, An ..... Sep 291
Application of Size Distribution Equations to Multi-Event Comminution Processes, The, Discussion ..... Dec 390
Anthracite, see Coal
Application of Dry Grinding Rod Mills ..... Jun 229
Applied Geochemistry in Exploration for Selected Mineral Occurrences in the Philippines Jun 218
Arbiter, N., and Harris, C. C.: *Impeller Speed and Air Rate in the Optimization and Scale-Up of Flotation Machinery*—Technical Note ..... Mar 115
Arbiter, N., Harris, C. C., and Stamboltzis, G. A.: *Single Fracture of Brittle Spheres* ..... Mar 118
Arbiter, N., Harris, C. C., and Yap, R. F.: *Hydrodynamics of Flotation Cells* ..... Mar 134
Ash:
coal washery performance evaluated ..... Sep 344
preparing low-content anthracite ..... Sep 268
reduction, coal flotation ..... Jun 158
separation from fine coal by hydrocyclone washing ..... Jun 191
Ash, R. L., Konya, C. J., and Rollins, R. R.: *Enhancement Effects from Simultaneously Fired Explosive Charges* ..... Dec 427
Assessment of Interfacial Reactions of Chalcopyrite ..... Dec 456
Automation: see also Administration, Beneficiation, Computers, Exploration, Instrumentation, Management, Mining Methods, Operations Research, Plant Design
computer, X-ray assaying ..... Sep 295
financial analyses, property exploration, development ..... Dec 412
linear programming applied in crushed stone industry ..... Sep 291

B

Babcock, C. O.: *Effect of End Constraint on the Compressive Strength of Model Rock Pillars* Dec 357
Bakiewicz, W., Milne, D. M., and Stoner, R. F.: *Groundwater Development in the Lower Indus Plains* ..... Mar 28
Balajee, S. R., and Iwasaki, I.: *Adsorption Mechanism of Starches in Flotation and Flocculation of Iron Ores* ..... Dec 401
Balajee, S. R., and Iwasaki, I.: *Interaction of British Gum with Dodecylammonium Chloride at Quartz and Hematite Surfaces* Dec 407
Barla, G., and Boshkov, S. H.: *Two-Dimensional Photoelastic Analysis of Gravity-Loaded Rock Structures Using Gelatin Mixture Models* ..... Mar 99
Becker, A., and Slankis, J. A.: *Telluric and Magneto-Telluric Measurements at 8 Hz* ..... Jun 237
Becker, R. M., and Hooker, V. E.: *A Method of Determining In-Situ Stress in Anisotropic Rock* Dec 436
Beneficiation: see also Agglomeration, Automation, Classification, Comminution, Computers, Concentration, Crushing, Flotation, Grinding, Hydrometallurgy, Instrumentation, Pyrometallurgy, Research
application dry grinding rod mills Jun 229
brittle fracture, single spheres ..... Mar 118
coal washery performance evaluated Sep 344
computer automated X-ray assaying Sep 295
determining parameters, 3-parameter size distribution equation ..Jun 187
dump leaching studied ..... Sep 307
effect froth sprinkling on coal flotation efficiency ..... Jun 158
electrical conductivities, granular materials, cell for measuring ..Mar 78
electrokinetic properties, Nujol flotation collector emulsion drops Dec 393
energy requirements in size reduction Sep 249
explosive crushing of rock in mine as aid in ..... Sep 255
financial analysis of mill performance, determining flotation plant research priorities ..... Dec 385
fine coal, hydrocyclone washing Jun 191
flotation machinery, relation, impeller speed, scale-up ..... Mar 115
flotation, southeastern kyanite ores Sep 283
hydrodynamics, flotation cells ..... Mar 134
inductive effect, polar groups on methyl stretching vibrations of alkyl groups, flotation ..... Mar 66
interaction of British gum, dodecylammonium chloride, iron ore flotation ..... Dec 407
interfacial reactions of chalcopyrite Dec 456
iron-ore fines, concentrates, new agglomerating process ..... Dec 460
iron ore, starches, starch derivatives as depressants and flocculants Mar 88
liquefaction, tailings disposal ..... Jun 179
making prereduced iron ore pellets Mar 71
materials handling, lakeside steel plant ..... Mar 52
optimum grinding charge, maintaining ..... Mar 82
pH-dependence, flotation and adsorption properties some beach sand minerals ..... Jun 173
preparation of low-ash-content anthracite ..... Sep 268
probability sizing investigated ..... Jun 145
reduction cracking in briquetted iron ore mixtures ..... Sep 251
rheological properties of solid-liquid suspensions—movement of immersed bodies in the turbulent flow range ..... Dec 453
semitaconites by high intensity magnetic separation, flotation ..... Sep 331
size-distribution equations applied to multi-event comminution processes, Discussion ..... Dec 390
starches used, flotation, flocculation iron ores ..... Dec 401
statistical methods for optimizing flotation operation ..... Sep 389
zeta potential of quartz in presence of nickel (II), cobalt (II) Jun 168
Beneficiation of Semitaconites by High-Intensity Magnetic Separation and Flotation ..... Sep 331
Bethlehem Steel Corp.:
research on coal flotation ..... Jun 158
Bhappu, R. B., et al.: *Theoretical and Practical Studies on Dump Leaching* ..... Sep 307
Bhasin, A. K., Brien, F. B., and Pommier, L. W.: *Rheological Properties of Solid-Liquid Suspensions—Movement of Immersed Bodies in the Turbulent Flow Range* ..... Dec 453
Biswas, A. K., and Dixit, S. G.: *pH-Dependence of the Flotation and Adsorption Properties of Some Beach Sand Minerals* ..... Jun 173
Bituminous Coal, see Coal
Blake, W., and Duvall, W. I.: *Some Fundamental Properties of Rock Noises*—Technical Note Sep 288
Blasting: see also Mining Methods, Rock Mechanics, Surface Mining, Underground Mining
enhancement effects, simultaneously fired explosive charges ..... Dec 427
explosives used in mine as replacement for mechanical crushing in plant ..... Sep 255
Boron Mine: see also U.S. Borax and Chemical Corp.
microseismic method applied to slope stability ..... Dec 378
Boshkov, S. H., and Barla, G.: *Two-Dimensional Photoelastic Analysis of Gravity-Loaded Rock Structures Using Gelatin Mixture Models* ..... Mar 99
Brien, F. B., Pommier, L. W., and A. K.: *Rheological Properties of Solid-Liquid Suspensions—Movement of Immersed Bodies in the Turbulent Flow Range* Dec. 453
Brierley, J. A., et al.: *Theoretical and Practical Studies on Dump Leaching* ..... Sep 307
British Gum:
interaction with dodecylammonium chloride, iron ore flotation .Dec 407
Broadbent, C. D.: *Slope Stability Program of Kennecott Copper Corporation* ..... Jun 209
Browning, J. S.: *Flotation of Southeastern Kyanite Ores* ..... Sep 283

Bull, W. R., and Koos, J. R.: *Flotation Plant Research—The Determination of Priorities by Financial Analysis of Mill Performance* ..... Dec 385

C

Cadmium:
byproduct cited in financial analysis of mill performance ..... Dec 385
California:
slope stability studied, Boron mine ..... Dec 378
Canada:
natural gas from, to supply U.S. needs ..... Dec 417
telluric, magneto-telluric measurements at 8 Hz ..... Jun 237
Carlson, W. J., Jr., Parmeter, S. M., and Iwasaki, I.: *The Use of Starches and Starch Derivatives as Depressants and Flocculants in Iron Ore Beneficiation* ..... Mar 88
Cell for Measuring the Electrical Conductivities of Granular Materials, A ..... Mar 78
Cement:
and sand, single fracture of brittle spheres ..... Mar 118
clinker, dry grinding rod mills applied ..... Jun 229
Chalcopyrite, see Iron, Iron Ores
Chile:
El Teniente, a Kennecott-Chilean enterprise ..... Sep 276
Classification: see also Beneficiation, Cyclones; includes Screening, Sizing
fine coal, hydrocyclone washing ..... Jun 191
preparation of low-ash-content anthracite ..... Sep 268
Climax Molybdenum Co.:
investigates HiProb sizer ..... Jun 149
Coal:
bituminous, gas from, to supply U.S. needs ..... Dec 417
determining in-situ stress in anisotropic rock ..... Dec 436
gravity-loaded rock structures, photoelastic analysis using gelatin mixture models ..... Mar 99
fine, hydrocyclone washing of ..... Jun 191
flotation efficiency, effect froth sprinkling on ..... Jun 158
geologic strata, post-yield flexure ..... Jun 203
materials handling system, lakeside steel plant ..... Mar 82
peak for strip mining? ..... Sep 245
preparation of low-ash-content anthracite ..... Sep 268
washery performance evaluated ..... Sep 344
Coal Gasification and the Coal Mining Industry ..... Dec 417
Coal Preparation: see also Beneficiation, Classification, Comminution, Crushing, Grinding, Dewatering
fine coal, hydrocyclone washing ..... Jun 191
flotation efficiency, effect froth sprinkling on ..... Jun 158
of low-ash-content anthracite ..... Sep 268
washery performance evaluated ..... Sep 344
Coal Strip Mining—Is It Reaching a Peak? ..... Sep 245
Cobalt, Cobalt Ores:
zeta potential of quartz in presence of Ni (II), Co (II) ..... Jun 168
Coke:
dry grinding rod mills applied ..... Jun 229
Comminution: see also Beneficiation, Crushing, Grinding
application, dry grinding rod mills ..... Jun 229
brittle fracture, single spheres ..... Mar 118
determining parameters, 3-parameter size distribution equation ..... Jun 187
energy requirements in size reduction ..... Sep 249
multi-event processes, size-distribution equations applied to, Discussion ..... Dec 390
optimum grinding charge, maintaining ..... Mar 82
Computers: see also Beneficiation, Instrumentation, Management, Operations Research
automated X-ray assaying ..... Sep 295
linear programming applied in crushed stone industry ..... Sep 291
statistical methods used, optimizing flotation operation ..... Dec 389
used, financial analysis applied to mineral exploration, development ..... Dec 412
used in financial analysis of mill performance to determine flotation plant research priorities ..... Dec 385
used, slope stability program, Kennecott's Kimbley pit ..... Jun 209
Computer Automated X-Ray Fluorescence Assaying ..... Sep 295
Concentration: see also Beneficiation, Flotation; includes Gravity, Heavy Media, Magnetic, and Electrostatic Separation
coal washery performance evaluated ..... Sep 344
electrical conductivities, granular materials, cell for measuring ..... Mar 78
electrokinetic properties, Nujol flotation collector emulsion drops ..... Dec 393
fine coal, hydrocyclone washing ..... Jun 191
flotation machinery, relation impeller speed and scale-up ..... Mar 115
probability sizing studied ..... Jun 149
semitaconite beneficiation ..... Sep 331
Conveyors: see also Materials Handling
materials handling system, lakeside steel plant ..... Mar 82
Cooper, H. R., and Vaughn, R. L.: *Computer Automated X-Ray Assaying* ..... Sep 295
Copper:
computer automated X-ray assaying ..... Sep 295
dump leaching studied ..... Sep 307
El Teniente, a Kennecott-Chilean enterprise ..... Sep 276
financial analysis of mill performance to determine flotation plant research priorities ..... Dec 385
geochemistry applied, exploration selected mineral occurrences, Philippines ..... Jun 218
geology, Copper County, Copper Basin, Nev., deposits ..... Sep 320
interfacial reactions of chalcopyrite ..... Dec 456
Kimbley pit, Kennecott, slope stability program ..... Jun 209
Copper Canyon, Copper Basin deposits, Lander County, Nev. ..... Sep 320
Costs: see also Economics
financial analysis of mill performance to determine flotation plant research priorities ..... Dec 385
financial analysis, mineral exploration, development ..... Dec 412
future of coal strip mining ..... Sep 245
iron-ore fines, concentrates, new agglomerating process ..... Dec 460
linear programming applied in crushed stone industry ..... Sep 291
of semitaconite beneficiation ..... Sep 331
